

From Treviso Airport "Antonio Canova" to B&B Appiani36

ACTT N. 6 Bus stop to BBAppiani36 is just outside Treviso airport "Antonio Canova", without crossing the street, on the right. It is better to make the ticket inside the airport, usually at ATVO desk or wherever there is a ACTT sign (also the bar in front of the Airport, sells tickets). If in a hurry, it is possible to make the ticket on the bus, but it costs the double (instead of 1.20 Euro 2.50 euro)

It takes nine minutes (9') drive to arrive to B&B APPIANI36 from Treviso Airport. The bus stop to get off, when you arrive from Treviso Airport, is VIA VERDI. Remember to tell the driver (write 'VIA VERDI' on a scrap of paper if you don't speak Italian), because usually bus driver stops only if you ring the bell or tell him. In any case, also the stop at Miani Park or in Viale Montegrappa (red dots on the map) are not far away from our B&B. If you miss these stops, next stop is before railway station...

Instead, to go to Treviso airport from B&B Appiani 36 it is easier, because the bus stop is just in front of our B&B, in Viale APPIANI. The reason? Viale Graziano Appiani is a one-way street. So the bus just 'goes' to airport, not 'arrives' from there, but as said before, in that case, the bus stop is in VIA VERDI.
